Increase your reach and attract your target audience

The Konradin Media Group

With over 400 employees, the Konradin Media Group is one of the largest providers of specialist information in the German-speaking world.

Founded in 1929, the publishing house's portfolio includes corporate publishing and printing as well as a wide range of trade media, knowledge magazines, online platforms and specialist events.

Konradin Industry – the network of expertise for industry

Our portfolio comprises 16 media brands for decision-makers in industry.

As a network for industrial communication, we enable a cross-media, target-group-specific approach in print and online, from events and media partnerships to corporate publishing.

Our trade media have been well established in their markets for decades. They are trusted by companies and their advertisers. They appeal to a wide range of qualified executives.

Why should you book a newsletter?

Your benefits from partnering with Konradin Industry

At **Konradin Industry**, we offer comprehensive communication services tailored to your individual business objectives.

We use well-thought-out **strategies** and the right **wording** to reach your target audience and generate qualified **leads** for you.

Recognisable to your target audience

You reach the recipients of your chosen editorial newsletter in the familiar newsletter layout.

Certified & GDPR-compliant

All of our newsletters are reviewed and sent out exclusively according to GDPR regulations.

Target group-specific communication

All Konradin Industry trade media keep their readers informed through regular newsletters.

Minimum effort

We will place your advert or banner in the editorial environment of your choice and ensure a smooth dispatch.

High level of transparency

Once your editorial newsletter has been successfully sent, you will receive a detailed report with all relevant KPIs.

Newsletters in the network of Konradin Industry

Overview of editorial newsletters – the choice is yours

What data is required for your newsletter?

Data submission for your newsletter

✓	Content and format required
	Format: GIF, JPG, (DOC zusätzlich bei Text-/Bildanzeige), Data volume: max. 60 KB
	Tracking code is possible, tracking pixels are not included. For animated GIF files, email may display only the first frame.
	If desired, name text for heading, which can also go over more than one line (max. 45 characters per heading line). Display in bold or normal type. The heading is not separated from the rest of the text by a blank line. The number of characters of the heading counts to the 300 characters in total.

Data submission:

7 days before start of campaign via our customer portal: kundenportal.konradin.de

Ad format*/position		Size in pixels (w x h)
Leaderboard above header		728 x 90**
Text/image ad		Image: 200 x 150, text: 300 char. (incl. spaces)
Full banner		468 x 60** 590 x 100**
Medium rectangle		300 x 250

* Size and position in pictures are exemplary.

** Display on mobile devices: scaled to a width of 300 pixels

Ingenieurwissen für die Medizintechnik

Sehr geehrte Frau Kraft,

bei der Umsetzung der Krankenhausreform fordert der BVMed unter anderem eine bessere Investitionsfinanzierung. Doch auch die Nachhaltigkeit beschäftigt die Branche.

Heute lesen Sie:

- BVMed: Forderungen zur **Krankenhausreform**
- Schlechtes Innovationsklima in der **Hilfsmittel-Branche**
- So wird **Medizintechnik nachhaltig**
- **Kunststoffrecycling** im Krankenhaus
- **Hinweisgeber-Schutzgesetz**: Meldestellen einrichten

Nachhaltige Medizintechnik
Kreislaufwirtschaft im Krankenhaus und in der Produktion [»> Zum Thema](#)

**BVMed: Forderungen zur Krankenhausreform**

Um Patienten weiterhin mit moderner Medizintechnik versorgen zu können, müssen bei der Umsetzung der Krankenhausreform unter anderem auch die Finanzreize im System beseitigt und die Investitionsfinanzierung verbessert werden.

[»> Mehr lesen](#)

**Schlechtes Innovationsklima in der Hilfsmittel-Branche**

Laut einer aktuellen Eurocom-Umfrage bremsen Kostensteigerungen, bürokratische Hürden und der Fachkräftemangel die deutschen Hilfsmittel-Hersteller aus.
